

DERRIC DONEHOO

Full Stack Developer

ABOUT DERRIC

Born in Oregon USA, moved to Germany at 19. After studying I have found a passion and talent for coding, and I am now ready to join an ambitious tech organization. I am sure that I will add value to any team through my ability to learn quickly and solve problems efficiently. I look forward to seeing myself grow to be the best programmer I can be in an encouraging and engaging workplace.

TECHNICAL SKILLS

Back End	Front End	Source Control	FrameWorks	UI/UX
Ruby(advanced)	Javascript ES6	Git(Git Flow)	React / Redux	Atomic Design
